Re: FRA FOIA File No. 15-296

Dear FOIA Officer:

While processing a Freedom of Information Act (FOIA) request sent to the Federal Railroad Administration (FRA) for agency records concerning the January 31, 2014 hazmat incident involving Illinois Central Railroad in New Augusta, Mississippi, I found two EPA documents. I am sending them to you to make a release determination. I informed the requestor, you will contact him directly once you review the records and determine whether they are releasable or not. Please contact him at:
